Committee: Health

Sponsor: Senator Greg Albritton

Analyst: Tiffany Weaver

Date: 05/05/2023

Senate Bill 25 as passed the Senate would increase the administrative obligations of the Alabama Board of Physical Therapy by a small undetermined amount to implement the provisions of this bill and the Physical Therapy Licensure Compact. These obligations could be offset, wholly or in part, by (1) the collection of a board-estimated \$11,400 biennially in compact privilege licensing fees, as provided by this bill; and (2) an additional undetermined amount dependent on the amount of administrative penalties assessed by the board.
