**House Bill 458** as introduced would increase the obligations of the Lawrence County Commission by: (1) an estimated \$15,500 annually by increasing the maximum number of working days of the Lawrence County Board of Registrars from 160 days, under current law, to 200 days; and (2) an additional, undetermined amount dependent on the increase in mileage, travel, and other expenses reimbursed to board members under current law due to the additional working days provided by this bill. This bill would prohibit reimbursement of these expenses by the state.
