Replace lines 214 through 221 on page 8 with the following:

(4)a. A wine festival licensee shall send notification, in writing, to the county governing body, and if applicable, to the municipal governing body no less than seven days prior to the wine festival. This notification shall include any information necessary to ensure that the proper sales tax is collected and remitted from all sales by each wine festival participant and shall include a list of all current wine festival participant licensees for that wine festival with contact information for each licensee.
