Replace line 133 on page 5 with the following:

(3) For those governmental bodies subject to the requirements of this article, where the Division of Construction Management of

Replace line 137 on page 5 with the following:

Construction Management and the Governor.
(4) A governmental body identified in Section 41-4-124 shall not be subject to this article or its requirements as it relates to the purchase and procurement of professional services, but shall adopt rules or board policies to promote fairness, competition, transparency, integrity, and value in the procurement of architects, landscape architects, engineers, land surveyors, geoscientists, and interior designers."
