SJR___ COMMENDING THE BARON CRITICAL WEATHER INSTITUTE AND ITS FOUNDER, PRESIDENT, AND CHIEF EXECUTIVE OFFICER, BOB BARON.

WHEREAS, highest commendations are herein proudly conveyed to the Baron Critical Weather Institute and its Founder, President, and Chief Executive Officer, Bob Baron; and

WHEREAS, the Baron Critical Weather Institute is a great resource of critical weather information for the State of Alabama; focused on making Alabama a leader in weather instrumentation, the Baron Critical Weather Institute's mission statement is, "World Class Instrumentation in support of Public Safety, Educational Outreach, and Economic Development"; and

WHEREAS, in support of public safety for all Alabama citizens, the institute has taken on the ambitious campaign to create a statewide weather network of sensors and cameras; the institute expects to fulfill educational outreach through sponsorship of a permanent exhibit at the United States Space and Rocket Center, titled, "How we know the weather," which will focus on the use of instrumentation

SJR59 INTRODUCED

26 to evaluate weather occurrences, including the two largest
27 instruments, radar and satellites; to enhance economic
28 development and build substantial R and D development, the
29 institute has partnered with the Alabama Department of
30 Transportation for a successful federal grant, as well as
31 with The University of Alabama, to create a high density
32 weather sensing network; and

33 WHEREAS, the Baron Critical Weather Institute and Mr.
34 Baron continue to help and protect many with their profound
35 resources, information, studies, and implementations; now
36 therefore,

37 BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH
38 HOUSES THEREOF CONCURRING, That the Baron Critical Weather
39 Institute and its Founder, President, and Chief Executive
40 Officer, Bob Baron, are highly commended, and we hereby
41 dedicate this resolution to the institute and Mr. Baron with
42 utmost appreciation, admiration, and regard.
