Replace lines 897 through 906 on page 33 with the following:

use taxes.

Replace lines 911 through 917 on page 33 with the following:

becoming effective.

(c) Any county or municipal governing body that reduces its general or retail sales tax rate on food for local sales and use taxes pursuant to this section may subsequently increase the rate on food not to exceed the current general or retail sales tax rate for local sales and use taxes of the county or municipality at the time of the increase.
