Replace line 100 on page 4 with the following:

individuals; to require the state to provide reimbursement for indigent health care services; and to make nonsubstantive, technical revisions

Replace line 411 on page 15 with the following:

Section 2. Notwithstanding any law to the contrary, the state shall provide reimbursement as necessary to cover the costs of indigent health care services provided in the state. The rate of reimbursement shall be commensurate with the Medicare reimbursement rate established for the specific health care service provided.

Section 3. This act shall become effective on October
