Replace line 8 on page 1 with the following:

guardians of enrolled students to request  
information on instructional

Replace line 22 on page 1 with the following:

request, to request information on  
instructional and supplemental materials

Replace lines 39 through 40 on page 2 with the  
following:

request of any parent, custodian, or guardian  
by providing a detailed summary, by email, telephone,  
or other electronic means, of instructional materials  
adopted by the local board

Replace lines 47 through 58 on page 2 with the  
following:

(2) If a parent or guardian would like further  
information regarding how the instructional materials  
relate to the content standards adopted by the State

25 Board of Education or to physically examine any  
26 instructional materials used in the classroom, the  
27 parent or guardian may request that the local board of  
28 education allow that examination at the next work  
29 session of the board. The board shall notify the  
30 parent or guardian and the teacher of the issues  
31 involved and the date and time of the next work  
32 session.
