House Bill 361

Committee: Transportation, Utilities and
Infrastructure

Sponsor: Representative Bedsole

Analyst: Jennifer Farish

Date: 04/16/2024

REVISED

House Bill 361 as reported by the committee on Transportation, Utilities, and Infrastructure would codify the existing commercial driver license fee schedule and repeal certain fines and safety certification requirements to be in compliance with federal law. If not enacted by September 30, 2024, the Alabama Law Enforcement Agency (ALEA) is subject to having an estimated \$9 million in annual federal Motor Carrier Safety Assistance Program funding withheld for noncompliance. This bill would not otherwise affect state or local funding.
