**Senate Bill 77** as reported by the Committee on County and Municipal Government would, effective June 1, 2024, restructure the composition of the Alabama Department of Archives and History's Board of Trustees by: (1) including on the board only the Governor and twelve at-large members (a decrease of four members); and (2) changing the appointing authorities. This could decrease the obligations of the Department to reimburse per diem and travel expenses of board members by an estimated \$176 per member per board meeting attended in person. However, according to the Department, historically board member per diem and travel expenses have never been claimed.
