Elections

Sponsor: Representative Kenyatté Hassell

Date: 02/19/2024

House Bill 64 as introduced could increase election expenses, paid from the State General Fund or local funds, by an undetermined amount dependent upon the number of defective absentee ballots received per election and the cost to notify the elector of the opportunity to cure the defect, as provided by this bill.

This bill would also increase the administrative obligations of the Secretary of State's office to develop and adopt rules to implement the provisions of this bill.
