House Bill 256

Committee: Finance and Taxation General Fund Sponsor: Representative Corley Ellis
Analyst: Peter Grogan Date: 04/15/2024

House Bill 256 as passed the House of Representatives would increase the per diem and mileage rate paid to certain individuals for the extradition of prisoners to the state from \$8 per day and \$0.10 cents per mile, currently, to \$100 per day and the applicable mileage rate paid to state employees (currently \$0.67 per mile). These provisions would increase the obligations of the State General Fund by an undetermined amount dependent upon the difference in: (1) the extradition costs paid under the provisions of this bill; and (2) the costs otherwise paid under current law.

In Fiscal Year 2023, approximately \$1.8 million was paid from the State General Fund for extradition costs.
