Senate Bill 171

Committee: Education Policy

Sponsor: Senator Rodger Smitherman

Analyst: John Friedenreich

Date: 03/05/2024

Senate Bill 171 as introduced would increase the administrative obligations of the local board of education in a Class 1 municipality to notify parents or legal guardians of students enrolled in and assigned to attend a priority school of the options available to apply to magnet schools, or other public schools with competitive admissions requirements within the district; as well as a list of the magnet schools or schools with competitive admissions requirements within the district that a student assigned to a priority school may enroll pursuant to the Alabama Accountability Act.
