

FISCAL NOTE

House Bill 364

Committee: Education Policy

Sponsor: Representative Leigh Hulsey

Analyst: John Friedenreich

Date: 04/16/2024

House Bill 364 as introduced would increase the administrative obligations of each local board of education to: (1) adopt policies on internet safety; (2) provide instruction on the effects of social media for students in grades 6 through 12; and (3) inform parents of the availability of the instructional material.

This bill would also increase the administrative obligations of the State Department of Education to publish instructional material on its website pursuant to the provisions of this bill.
