Senate Bill 232

Committee: Banking and Insurance

Sponsor: Senator Arthur Orr

Analyst: Mathieu Fuller

Date: 03/20/2024

Senate Bill 232 as introduced would allow nonprofit agricultural organizations to provide health benefits to its members and their families, which could decrease insurance premium tax receipts to the State General Fund by an undetermined amount if members of nonprofit agricultural organizations cancel existing insurance plans in lieu of the health benefits options provided by nonprofit agricultural organizations.
