House Bill 403

Committee: County and Municipal Government Sponsor: Representative Ron Bolton

Analyst: Mathieu Fuller

Date: 04/16/2024

House Bill 403 as introduced could increase the obligations of counties by an undetermined amount to inspect and issue permits for certain all-terrain vehicle (ATV) parks pursuant to the provisions of this bill. This increase in obligations would be offset, in whole or in part, by the permit fee set by the county commission, in an amount not to exceed a maximum of \$50.

This bill could also increase receipts to county road and bridge funds from fines by \$5,000 for each day a park operates in violation of the provisions of this bill.

Further, this bill would allow counties to contract with the State Forester to provide inspectors to investigate compliance with this bill.
