House Bill 120

Committee: State Government

Sponsor: Rep Mike Shaw

Analyst: John Friedenreich

Date: 02/19/2024

House Bill 120 as introduced could increase or decrease the obligations of local boards of education by an undetermined amount dependent upon the difference in 1) the price paid for installation, on property owned by the local board of education, of items purchased through certain cooperative purchase agreements currently exempt from competitive bid laws, and 2) the cost of installation paid by these boards otherwise obtained from competitive bid.
