Senate Bill 14

Committee: Judiciary

Sponsor: Senator Merika Coleman

Analyst: Peter Grogan

Date: 04/16/2024

Senate Bill 14 as introduced could increase the obligations of state, counties and municipalities, and their respective law enforcement agencies, by an undetermined amount, to comply with the provisions of this bill regarding litigation in circuit court when the release of a body-worn camera recording is denied by a law enforcement agency. The obligations of law enforcement agencies could be offset, partly by the fee charged and collected for the production of a recording as provided by this bill.
