Committee: Healthcare

Sponsor: Senator April Weaver

Analyst: Tiffany Weaver

Date: 02/19/2024

Senate Bill 25 as introduced could increase the administrative obligations of the Board of Nursing by a small undetermined amount if the Board adopt rules providing for the scope of practice and issuance of permits to certified nursing support technicians. The increase in obligations would be dependent on the number of certified nursing support technicians who choose to obtain permits. Any increase in obligations would be offset in total or in part by the permit fees established by the Board, pursuant to the provisions of this bill.
