House Bill 255

Committee: Public Safety and Homeland
Security

Sponsor: Representative Russell Bedsole

Analyst: Peter Grogan

Date: 03/18/2024

House Bill 255 as introduced would allow any sheriff to contract for service of process which could increase obligations of the sheriffs by an undetermined amount, dependent upon the terms of such contract. The increase in obligations could be off set, in whole or in part, by the increase in receipts to the several sheriffs, circuit clerks, and district attorneys by \$44, \$3 and \$3, respectively for each \$50 service of process fee collected, as authorized by this bill.
