Replace line 76 on page 3 with the following:  
Advancing Quality in Educator Preparation. In order to  
qualify for approval under this section, an  
alternative teacher certification program organization  
certified by the Association for Advancing Quality in  
Educator Preparation must have begun an application  
with the Council for the Accreditation of Educator  
Preparation by April 1, 2024. Beginning October 1,  
2026, certification by the Association for Advancing  
Quality in Educator Preparation shall no longer  
qualify an alternative teacher education preparation  
organization for approval under this section.
