144 to cooperative enterprises and undertakings related to or
145 associated with an educational purpose or program affecting
146 education in the school. This shall not preclude the board of
147 trustees from entering into other contracts and agreements
148 that the board of trustees may deem necessary to carry out the
149 duties and functions of the board of trustees.

150 (8) Perform such other functions as are necessary to

170 (4) Select a president of school who shall be the chief
171 executive officer of the school and who shall administer the
172 rules, regulations, and policies adopted by the board of
173 trustees pursuant to this act. The president of school shall
174 also be the chief administrative officer of the board of
175 trustees and shall be responsible for all the administrative
176 functions, duties, and needs of the board of trustees. Until
177 such time as the board of trustees selects a president of
178 school, the superintendent shall serve as the chief
179 administrative officer of the board of trustees and shall be
180 responsible for the duties of the president of school as they
181 relate to the board of trustees. The superintendent shall
182 relinquish administrative duties provided to the board of
183 trustees to the president of school when the president of
184 school officially assumes his or her duties with the board of
185 trustees.

186 (5) Oversee the staffing plan development and

198 for the operating and administrative expenses of the board of
199 trustees and the school.

200 (8) Exercise budgetary responsibility and allocate for
201 expenditure by the school and programs under its jurisdiction
202 all monies appropriated or otherwise made available for
203 purposes of the board of trustees and of the school and
204 programs.

205 (9) Oversee selection and use in the school free
206 textbooks and other materials of instruction for students
207 enrolled in the school and programs under its jurisdiction for
208 which the Legislature provides funds. Wherever practical, the
209 school shall select and the board of trustees approve the same
210 textbooks and other materials of instruction as are adopted by
211 the state board.

212 (10) Prepare and adopt or approve programs of study and
213 rules, bylaws, and regulations for the discipline of students
214 and for the government of the school and programs under its
215 jurisdiction, which may not be inconsistent with the law and
216 which shall be enforced by the administration, staff, and
217 faculty of the school. Programs of study shall initially be
218 subject to approval by the state board, and thereafter, any
219 changes in programs of study shall be subject to approval by
220 the state board.

221 (11) Any provision of law to the contrary
222 notwithstanding, prescribe the qualifications of educators at
223 the school, provided that any educator employed at the school,
224 who does not hold certification, shall hold an advanced

SB102 INTRODUCED

225 degree, or be acknowledged by the board of trustees as an
226 expert, in his or her field of instruction.

227 (12) Develop and adopt a formula or system under which
228 students shall be admitted. The formula or system shall be
229 sufficient to ensure that at least one qualified applicant for
230 admission from within the geographical boundaries of each
231 state senate district shall be eligible for admission to the
232 school each year. If no qualified applicant from a state
233 senate district applies for admission, then the slots
234 available to that senate district shall be lost to that senate
235 district for that school year and shall be reallocated by the
236 board of trustees to provide for the admission of qualified
237 applicants from other senate districts. Any provision of this
238 subdivision to the contrary notwithstanding, the board of
239 trustees shall admit additional students, utilizing admission
240 criteria provided by the adopted formula or system and as
241 resources and facilities allow, by also taking into
242 consideration the enrollment size of the city or county public
243 school systems in the state senate district of the student
244 applicant.

245 (13) Work with the Alabama Department of Education to
246 assist teachers, administrators, and superintendents across
247 the state to extend elements of the school's curriculum and
248 other offerings to schools and programs across Alabama.
249 Assistance shall include, but not be limited to, workshops,
250 career conversations, and fostering communities of practice in
251 the areas of healthcare sciences.

253 evaluation of any applicant who has not been evaluated but who
254 satisfies all other criteria for participation in the program.

255 (d) A majority of actively serving members of the board
256 of trustees shall constitute a quorum for the transaction of
257 business, and all official action of the board of trustees
258 shall require the favorable vote of a majority of those
259 members present and voting. Members may participate by means
260 of telephone conference, video conference, or by similar
261 communications equipment so that all individuals participating
262 in the meeting may hear each other at the same time.

263 Participation by these means shall constitute presence in
264 person at a meeting for all purposes, including the
265 establishment of a quorum.

266 (e) Members of the board of trustees shall be
267 compensated for all actual vouchered expenses incurred in the
268 performance of their duties and functions as required by this
269 act. Expenses shall be paid by the president of school from
270 funds appropriated therefor by the Legislature and upon the
271 warrant of the board of trustees.

272 (f) The board of trustees shall serve as the local
273 educational agency for the school.

274 Section 6. (a) The school, at the discretion of the
275 board of trustees, shall operate on the same school year basis
276 as all other public schools in the state. Full-time students
277 shall be enrolled for the entire school year and may enroll in
278 the summer program.

279 (b) A summer program may be offered for full-time
280 students and for students who qualify to attend the school

SB102 INTRODUCED

281 during that period.

282 (c) The school may also offer short courses, workshops,
283 seminars, weekend instructional programs, and other innovative
284 programs, which may be used to offer instruction to students
285 not enrolled as full-time students in the school.

286 (d) The school, at the discretion of the board of
287 trustees, may provide extension courses and campuses on the
288 campuses of other schools, colleges, and universities within
289 the state.

290 Section 7. Whenever possible, the school may offer such
291 extracurricular activities as may be found in any public
292 secondary school in the state.

293 Section 8. Nothing in this act shall be so construed as
294 to prohibit or prevent the board of trustees from accepting
295 federal funds or monies from any corporation or other private
296 contributor for use in operating the school or providing
297 programs by the school.

298 Section 9. It is not the intent of this Legislature to
299 conflict with existing or future programs of the Alabama High
300 School of Mathematics and Science, Chapter 26A of Title 16,
301 Code of Alabama 1975, the Alabama School of Fine Arts, Chapter
302 26B of Title 16, Code of Alabama 1975, or the Alabama School
303 of Cyber Technology and Engineering, Chapter 26D of Title 16,
304 Code of Alabama 1975.

305 Section 10. This act shall become effective on the
306 first day of the third month following its passage and
307 approval by the Governor, or its otherwise becoming law.
