Replace line 69 on page 3 with the following:

(9) GENETIC TESTING COMPANY or COMPANY. Any person, other than a health care provider, that

Replace line 83 on page 3 with the following:

associated with genetic markers present in the consumer's DNA.

(10) HEALTH CARE PROVIDER. Any hospital, as defined in Section 22-21-20, Code of Alabama 1975, licensed by the State Board of Health, and any physician, nurse, or other licensed medical practitioner, whether in individual, group, professional corporation, or professional association practice, which provides diagnostic services or treatment for a patient of such hospital, physician, nurse, or other licensed medical practitioner.
