155 subject as the other episodes in the series.

156 (c) A single commercial may be considered a single
157 production project for purposes of this section. However, in
158 determining the total production expenditures incurred by a
159 qualified production company on a qualified production, the
160 total production expenditures of a series of commercials to be
161 filmed within a period of 12 consecutive months, each of which
162 separately and independently meets the definition of a
163 qualified production, may be aggregated to meet the monetary
164 requirements set forth in subsection (a) as long as each
165 individual commercial within the series pertains to the same
166 subject as the other commercials in the series and was planned
167 as part of a series of commercials to be filmed within a
168 period of 12 consecutive months at the time the qualified
