6               Section 4. (a) In order to receive qualified  
7       donations as

8  
9       Replace line 139 on page 5 with the following:

10              thereafter.

11              (b) A hospital shall only be eligible to receive  
12       assistance from the provisions of this act in a year in  
13       which the total support from the local governing body, in  
14       the form of direct tax revenue, budget appropriation,  
15       in-kind services, or other financial assistance, is equal  
16       to or more than 10 percent of the assistance provided to  
17       the local hospital under the provisions of this act, with  
18       no more than 5 percent counted as in-kind contributions  
19       from the local governing body.
