Replace lines 21 through 22 on page 1 with the following:

Section 1. (a) For any county sales and use tax originally levied as authorized by local law enacted before January 1, 1985, where any proceeds are distributed

Replace line 30 on page 2 with the following:

Section 2. Beginning January 1, 2026, any local law authorizing a county sales and use tax where any portion of the proceeds are distributed to a local board of education in the county must make equal distributions to every local board of education in the county on a pro rata basis based upon the amount of taxes collected within the areas served by each local board of education.

Section 3. This act shall become effective on October
