Senate Bill 64

Committee: Agriculture, Conservation, and Forestry Sponsor: Senator Steve Livingston

Analyst: Mathieu Fuller

Date: 02/12/2025

Senate Bill 64 as reported by the Committee on Agriculture, Conservation, and Forestry could increase receipts to the enforcing law enforcement agency from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, district attorneys, and local jails by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this bill and the penalties imposed. In addition, this could increase the administrative obligations of the Department of Conservation and Natural Resources to adopt rules to implement and administer the provisions of this bill.
