

## FISCAL NOTE

### House Bill 323

Committee: Transportation, Utilities and  
Infrastructure

Sponsor: Representative Donna Givens

Analyst: Jennifer Farish

Date: 02/24/2025

---

**House Bill 323** as introduced could decrease receipts to the Public Road and Bridge Fund by an undetermined amount dependent on the amount of oversize/overweight permit fees for electric utility commodities and equipment that would be exempt from these fees under the provisions of this bill but that otherwise would be collected under current law.
