House Bill 323

Committee: Transportation and Energy

Sponsor: Representative Donna Givens

Analyst: Jennifer Farish

Date: 04/11/2025

House Bill 323 as passed the House of Representatives could decrease receipts to the Public Road and Bridge Fund by an undetermined amount dependent on the amount of oversize/overweight permit fees for electric utility commodities and equipment that would be exempt from these fees under the provisions of this bill but that otherwise would be collected under current law.
