Committee: County and Municipal Government Sponsor: Senator Wes Kitchens

Analyst: Peter Grogan

Date: 02/05/2025

Senate Bill 53 as introduced provides procedures for law enforcement officers and jail officials to determine the immigration status of certain individuals with the Immigration and Customs Enforcement of the United States Department of Homeland Security, under certain circumstances. This could increase the administrative obligations of law enforcement agencies and jails, by an undetermined amount, to comply with the provisions of this bill.

In addition, this bill could increase receipts to the State General Fund and municipal general funds from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, local jails, the district attorneys, the Department of Corrections, the Board of Pardons and Paroles, and community corrections programs by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this bill and the penalties imposed.
