House Bill 105 as introduced could increase the obligations of certain local law enforcement agencies by an estimated \$1,000 for each law enforcement officer that retires and is given their service weapon and badge as part of their retirement benefits, who would not otherwise receive their badge and pistol at retirement. .

This bill would have an estimated aggregate fiscal impact greater than \$50,000 annually on affected local government entities and is subject to the provisions of Section 111.05 of the Constitution of Alabama of 2022.
