Senate Bill 275

Committee: County and Municipal Government Sponsor: Senator Dan Roberts

Analyst: Jennifer Farish Date: 04/02/2025

Senate Bill 275 as introduced would exempt mobile food vendors from having to obtain additional licenses, permits, or other permissions, in jurisdictions a mobile food vendor temporarily operates. This could decrease county and municipality general funds by an undetermined amount dependent on the number of licenses, permits, or other permissions no longer required for mobile food vendor to operate in jurisdictions outside of the food vendor's established commissary location.
