Committee: Ways and Means Education

Sponsor: Representative Alan Baker

Date: 02/18/2025

REVISED

House Bill 234 as introduced will increase the obligations of certain local boards of education by an undetermined amount dependent upon the cost to implement the mobile emergency rapid response system by October 1, 2030, pursuant to the provisions of this bill. These increased obligations may be offset, in whole or in part, by allowing the boards to use certain state funds to comply with the provisions of this bill.

Additionally, this bill will increase the administrative obligations of the State Board of Education to develop a list of approved vendors and to adopt rules to administer the provisions of this bill.

This bill would have an estimated aggregate fiscal impact of greater than \$50,000 annually on affected local government entities and is subject to the provisions of Section 111.05 of the Constitution of Alabama of 2022.
