House Bill 234

Committee: Education Policy

Sponsor: Representative Alan Baker

Analyst: John Friedenreich

Date: 04/08/2025

House Bill 234 as passed the House of Representatives would increase the obligations of the governing bodies of local boards of education and public charter schools to purchase mobile emergency rapid response systems and equip and train designated personnel by October 1, 2030, subject to annual dedicated school safety funds. This bill would allow the governing bodies to use certain state funds to comply with the provisions of this bill.

Additionally, this bill would increase the administrative obligations of the State Board of Education to develop a list of approved vendors providing mobile approved emergency rapid response systems and to adopt rules to administer the provisions of this bill.
