

FISCAL NOTE

House Bill 194

Committee: Healthcare

Sponsor: Representative Paul W. Lee

Analyst: Tiffany Weaver

Date: 03/18/2025

House Bill 194 as passed the House of Representatives could increase or decrease the obligations of the State Board of Medical Examiners and the Board of Nursing by an undetermined amount for each meeting of the Joint Committee of the State Board of Medical Examiners and the Board of Nursing for Advanced Practice Nurses held dependent on the difference in the per diem rate set by each board, respectively, as provided by this bill and the current per diem of \$100 for committee members.
