**House Bill 33** as introduced could increase the obligations of the Department of Youth Services by an undetermined amount for fiscal years 2026 through 2030 dependent on the cost to: 1) establish and operate a juvenile intervention pilot; 2) provide space and staffing in youth detention facilities to comply with the provisions in the bill; and 3) provide annual reports to the Governor and Legislature.

Further, this bill could increase obligations of the Alabama Law Enforcement Agency by agency estimated minimum of \$2 million per year for fiscal years 2026 through 2030 to provide staff and develop and administer an intervention program as provided by this bill.
