

FISCAL NOTE

Senate Bill 231

Committee: Transportation and Energy

Sponsor: Senator Gerald H. Allen

Analyst: Jennifer Farish

Date: 04/01/2025

REVISED

Senate Bill 231 as introduced would increase the obligations of the Public Service Commission (PSC) to regulate certain private sewer or wastewater systems that would now be subject to the jurisdiction of the PSC pursuant to the provisions of this bill by an agency estimated \$1,000,000. These obligations would be offset, in part, by the collection of certain existing regulatory fees.
