

FISCAL NOTE

Senate Bill 270

Committee: County and Municipal Government Sponsor: Senator April Weaver

Analyst: John Friedenreich Date: 04/02/2025

Senate Bill 270 as introduced would reduce the sales and use tax receipts to the various counties which contain city school systems, by restricting the levy of county sales and use taxes that are distributed to the county board of education for capital projects only to those areas of the county that are served by the county board of education. Additionally, this bill would render any county sales and use tax described in this bill void if the provisions of the bill are rendered invalid.
