### Senate Bill 279

Committee: State Governmental Affairs

Sponsor: Senator Sam Givhan

Analyst: Hunter Lapp

Date: 04/07/2025

---

**Senate Bill 279** as introduced would authorize the Legislative Council to contract for the demolition of the current Alabama State House upon completion of construction of the new Alabama State House. This would increase the expenditures of the Legislative Council, paid from the General Fund by an undetermined amount. However, the increased expenditures would be offset partially by any funds received from the disposition of any property or materials part of or affixed to the current Alabama State House pursuant to the provisions of this bill.
