House Bill 447

Committee: Ways and Means Education

Sponsor: Representative Danny Garrett

Analyst: John Friedenreich

Date: 04/09/2025

House Bill 447 as reported by the Committee on Ways and Means Education would reduce the obligations of any local boards of education by an undetermined amount dependent on the cost of transporting community or technical college students on public school buses, under certain conditions, which requirement is repealed by this bill.

This bill could also increase the administrative obligations of the various local boards of education to adopt policies regarding transportation of enrolled students to certain off-site educational venues.
