

FISCAL NOTE

House Bill 387

Committee: Finance and Taxation Education Sponsor: Representative Danny Garrett

Analyst: Riley Aaron Date: 04/28/2025

House Bill 387 as passed the House of Representatives could decrease sales and use tax receipts to local governments by an undetermined amount, beginning in Fiscal Year 2026, dependent on any county and municipal governing bodies that reduces its sales and use tax on food, regardless of any growth in the respective general fund of the local government, as provided by this bill, that otherwise could not reduce its sales and use tax on food under current law.
