Committee: Ways and Means General Fund | Sponsor: Representative Marilyn Lands

Analyst: Tiffany Weaver | Date: 01/29/2025

House Bill 89 as introduced would increase the obligations of the Alabama Medicaid Agency by an agency-estimated $1 million annually, consisting of $726,300 in federal funds and $273,700 in state funds, by providing certain prenatal coverage to women found presumptively eligible by a qualified provider.

Further, this bill would increase the administrative obligations of the agency to adopt rules and develop forms for use by qualified providers to determine presumptive eligibility.
