House Bill 189

Committee: State Government

Sponsor: Representative Garrett

Analyst: Riley Aaron

Date: 02/17/2025

House Bill 189 as introduced could increase or decrease the obligations of state and local governments engaging in certain public work contracts by an undetermined amount dependent upon the difference in any difference in cost from: (1) the current public notice required by law; and (2) the method of additional methods of public notice allowed, pursuant to the provisions of this bill, for sealed bid contracts.
