**Senate Bill 253** (Act 2025-395) as enacted could increase or decrease receipts to the Alabama Massage Therapy Licensing Board Fund by an undetermined amount dependent upon the difference in collections pursuant to the existing fee schedule set in current law and any new fee schedule that would be established by board rule pursuant to this act. In addition, this act could further increase receipts to the fund by \$1,000 per day for fines established by the provisions of this act.

This act also removes the prohibition that the board's expenditures may not exceed the revenues of the board for a fiscal year.
