

FISCAL NOTE

Senate Bill 312

Committee: Fiscal Responsibility and
Economic Development

Sponsor: Senator Bobby Singleton

Analyst: Tiffany Weaver

Date: 04/09/2025

Senate Bill 312 as introduced would increase receipts to the State General Fund by undetermined amounts dependent upon: (1) the number of government venue licenses issued by the Alcoholic Beverage Control (ABC) Board pursuant to the provisions of this bill, at \$250 per license; (2) the number of event storage licenses issued by the ABC Board pursuant to the provisions of this bill, at \$550 per license; and (3) the amount of civil fines assessed, not to exceed \$1,000 per occurrence.

Additionally, this bill could further increase receipts to the State General Fund by an estimated \$11,500 if all current beer and wine wholesaler license holders would now purchase both a beer wholesaler license and a wine wholesaler license at an additional \$350 pursuant to the provisions of this bill.

This bill would also increase the obligations of the ABC Board by an undetermined amount to inspect the new licensees, establish forms, and adopt rules to enforce the provisions of this bill.
