**House Bill 30** as introduced would increase election expenses of the judges of probate, to be fully reimbursed by the Comptroller, by an estimated minimum of \$35,000 per day, cumulatively, to conduct post-election audits in the county, as required by this bill

This bill would increase the administrative obligations of the Secretary of State to post the audit results to the Secretary's website, report the findings to the Governor and Legislature, and adopt administrative rules to implement the provisions of this bill.
