---

**House Bill 158** as passed the House of Representatives would provide that no benefit increases for retirees and beneficiaries under the Employees' Retirement System (ERS) and Teachers' Retirement System (TRS), except local participating employers in the ERS, could be paid unless granted by separate act of the Legislature establishing the amount of the increase and class of eligible retirees, and only if the cost of the increase, as determined by the actuary of the system is included and the annual cost for that fiscal year is appropriated in the State General Fund appropriation act and/or the Education Trust Fund appropriation act through a separate employer rate. This bill will not otherwise directly affect state or local funding.
