**Senate Bill 208** as introduced proposes a constitutional amendment, which if ratified, would allow Montgomery City Council members to participate in the Employees' Retirement System of Alabama (ERS).

This bill would increase the proclamation expenses of the Governor, paid from the State General Fund, by an estimated \$100,000 for the fiscal year ending September 30, 2026. This bill will not otherwise affect state funding or the ERS state employer contribution rate.
