

## FISCAL NOTE

### House Bill 196

Committee: County and Municipal  
Government

Sponsor: Representative Margie Wilcox

Analyst: Peter Grogan

Date: 02/12/2025

---

**House Bill 196** as reported by the Committee on County and Municipal Government could increase the obligations of a county commission by an undetermined amount dependent on the cost to supervise and administer the county's juvenile detention center as provided by this bill.

In addition, this could increase the administrative obligations of the Alabama Supreme Court to review and revise the Rules of Juvenile Procedure to comply the provisions of this bill.
