11 Replace lines 121 through 123 on page 5 with the
12 following:

13 (c) (1) A board may restrict the public's recreational
14 use of, or close, a water body or portion thereof owned
15 or controlled by the board only upon providing evidence
16 at a public hearing conducted by the board demonstrating
17 a substantial public interest exists that requires
18 restricting or closing of the water body. The board shall
19 notify the public of the hearing at least 10 days before
20 the hearing.

21 (2) The board may restrict the public's recreational
22 use of, or close, a water body or portion thereof owned
23 or controlled by the board for 90 days without conducting
24 a public hearing if, in the determination of the board,

25 an emergency exists which necessitates the restriction or
26 closure. After 90 days, the board shall conduct a public
27 hearing as provided for in subdivision (1).

28 (3) All restrictions or closures of a water body
29 pursuant to this subsection may be appealed to the
30 circuit court having jurisdiction over the county in
31 which the board's principle place of business is located.

32 (4) This subsection shall only apply to navigable
33 waterways within 50 miles of the Gulf of America which
34 serve as sources of drinking water."
